Military and civic leaders who have been approached or invited by the committee to take part, as well as patriotic organizations, have indicated an enthusiastic willingness to share in the event. The notice which the committee sent out and which has met with such enthusiastic response is as follows:

ODE TO PATRIOTISM.

To Thee, O Patriot, to-night we sing,
Through endless years thy works shall shine.
With hearts aflame our voices ring,
Our lives, our reverence, all are thine!

—Anderson.

The honor of your presence is requested in the formation of the Boston Civic Chorus for the exercises attending the

BOSTON SESQUICENTENNIAL HISTORICAL CELEBRATION, 1776-1926, MECHANICS HALL, WEDNESDAY, MARCH 17, 1926.

The Boston Civic Chorus will be featured as the principal musical event of this important, patriotic, historical exercises, with brilliant lighting effects, lavish stage setting, and colorful hall decorations, assisted by the Boston Festival Orchestra of fifty instruments, well known soloists and orators, to arouse the patriotism in all elements of our population in commemoration of this historic event.

Dear Patriot,—For this interesting historical celebration of the One Hundred and Fiftieth Anniversary of the Evacuation of Boston, with her centuries of history, progress and achievement, it is an honor and an indispensable duty for every true American singer with civic pride to assist in this important Anniversary Celebration, and to

accomplish this feature, we hope you are willing and ready to co-operate to the fullest extent by signing and returning promptly the enclosed postcard.

To play our part before a great patriotic American Boston audience with the processional of the colors of Boston's regiments and veteran organizations with the presence of his Excellency Alvan T. Fuller, Governor of Massachusetts; his Honor Malcolm E. Nichols, Mayor of Boston; Maj.-Gen. H. Preston Brown, Commander of First Corps Area; Rear Admiral Philips Andrews, Commandant of the Charlestown Navy Yard; military and civic leaders and notable dignitaries of the nation, state and city, with an audience of thousands.

George Sawyer Dunham, conductor of a chorus of four hundred mixed voices and an orchestra of fifty musicians, will maintain our deserved reputation as a real patriotic musical city.

We are planning a chorus as follows: Sopranos, 150; altos, 100; tenors, 100; basses, 100, Mrs. William Arms Fisher assisting in the Chorus formation.

The patriotic program is one you will all enjoy singing.

PRELUDE. "Prayer of Thanksgiving,"

Kremser

SELECTION. "Unfold Ye Portals,"

AMERICAN PATRIOTIC AIRS.

Also other selections.

There will be but four rehearsals and we urge your attendance at all of them to be held in Huntington Hall, 491 Boylston street, Technology Building, on Wednesday, February 24; Tuesday, March 2; Tuesday, March 9, and Tuesday, March 16, at 7.30 p. m., closing at 9.30 p. m.

We are appealing to organized choral societies because we want only the trained singing voices with the intent to uphold Boston's historical and musical traditions and to make the exercises the most memorable ever held.

An Executive Committee to be appointed, authorized to arrange and promote a program for a fitting observance of the 150th Anniversary of the Evacuation of Boston, on March 17, 1926.

Sincerely yours,

R. J. BOTTOMLY,
A. C. RATSHESKY,
GEORGE H. JOHNSON,

Mayor's Committee on Budget and Plans for the Boston Sesquicentennial Historical Committee.

"Truth of history is a sacred thing."

AMENDED PLEADING IN TELEPHONE CASE.

MAYOR NICHOLS WINS POINT IN CITIZENS' BATTLE THROUGH SUCCESSFUL EFFORTS OF CORPORATION COUNSEL FRANK S. DELAND IN WASHINGTON.

Frank S. Deland, the Corporation Counsel, and E. Mark Sullivan, former corporation counsel, held a conference with Vice Chairman Balthasar H. Meyer of the Interstate Commerce Commission, in Washington, relative to the complaint of the City of Boston against the rate increase of the New England Telephone and Telegraph Company, upon the 18th instant.

The original plea filed by the City of Boston against the telephone company was based not only on the increase in rates but also upon the ground that the company had violated the Clayton Antitrust Act.

Acting upon the advice of Commissioner Meyer the two complaints will be separated by amended pleading and the antitrust complaint will be made to the Federal Trade Commission.

Announcement is made that the petition of intervention of Hon. George E. Cryer, Mayor of Los Angeles, for intervention in the City of Boston's telephone rate case against the American Telephone and Telegraph Company has been indorsed by the City Council of Los Angeles.

The petition is the result of an attempt on the part of Mayor Cryer, inaugurated last fall, to get all communities to join in the fight for lower rates. A telephone rate committee has been active under the Mayor's direction with this end in view, and has brought several rate petitions before the California Railroad Commission.

EXTENSION OF CONTRACTS.

FIRE DEPARTMENT.

Nicola Gentile has been granted an extension of the time for the completion of the contract for enlarging the doorway at Ladder House 5, dated November 4, 1925, from December 20, 1925, to February 13, 1926, the contractor giving the following reasons for the delay:

The inability to get these extremely large doors from the mill, they being so rushed with other orders.

When the old door hinges were removed it was found that they were not strong enough to support the new doors which are wider and much heavier than the old doors, and new hinges had to be designed and made.

FANEUIL SQUARE IMPROVEMENT.

The City of Boston has taken title from the President and Fellows of Harvard University to a portion of the property 12 and 13 Faneuil Hall square, corner of Change avenue and Corn court. It will be used for the improvement under way by the city at this point. The property is assessed for \$230,000, of which \$206,100 is on the 3,761 square feet of land. The building is a four-story brick structure.

BRIDGE OR TUNNEL TO EAST BOSTON QUESTION DISCUSSED BEFORE COMMITTEE ON METROPOLITAN AFFAIRS OF LEGISLATURE.

CITIZENS AT HEARING ALL AGREE SOME BETTER FACILITIES FOR COMMUNICATION WITH DISTRICT MUST BE PROVIDED—CONFERENCES PROPOSED TO CHOOSE BETTER PLAN.

The Committee on Metropolitan Affairs of the Massachusetts Legislature gave a public hearing upon the petition of Hon. James Jackson, Gen. Edward L. Logan, Edward J. Sampson and others for the incorporation of the East Boston Bridge Company and authorization to build a bridge to East Boston upon the approval of the Mayor of Boston, the Commissioner of Public Works of the state and the Secretary of War upon the 24th instant.

The details of the proposed bridge, to be erected at an estimated cost of about \$13,000,000, to connect Boston proper with East Boston, were fully explained.

Mr. Jackson and General Logan spoke briefly, pointing out the recognized necessity for some better physical connection with East Boston and the North Shore. The structure would be operated as a toll bridge until such time as the state or the City of Boston desired to appropriate the funds for its purchase.

Joseph B. Strauss, a Chicago engineer, warned of dangers in the construction of a vehicular tunnel as recommended by the Metropolitan Planning Division, declaring that in addition to the greater element of risk, a tunnel would prove more costly. He said that traffic elsewhere had appeared ready and willing to pay tolls for increased facilities.

In the plan of Mr. Strauss the East Boston pier end would be placed at the National Docks and the Boston proper end at the northeast corner of Lewis Wharf.

In East Boston the bridge would come to a grade at Chelsea and Porter streets, and in Boston proper, at Rowe's Wharf, north to Hanover street or to connect with a vehicular elevated structure in place of the present L structure.

The counter tunnel proposal was outlined by Henry I. Harriman, chairman of the Metropolitan Planning Division, who stressed the primary need of better transportation between the two points, whether by bridge or tunnel. He suggested that a charter be granted so that the two groups might get together and decide on the better plan.

Mr. Harriman urged that no higher toll rate than 30 cents should be charged and expressed the opinion that 20 or 25 cents might be sufficient. The cost of a single tube, as suggested by the Planning Board, was estimated at \$8,000,000 or \$9,000,000.

Mr. Harriman said the proposal, whether bridge or tunnel, should be built by a private corporation, predicting that if the city should build it, pressure would immediately be successful in eliminating a toll charge and thus throwing the burden upon the whole body of taxpayers.

MAYOR RETURNS FROM NEW YORK.

TACKLES PROBLEMS OF CITY WITH ZEST AFTER ENJOYABLE AND MUCH NEEDED RESPIRE—MADE STUDY OF TRAFFIC CONDITIONS WHILE AWAY.

Mayor Nichols returned to Boston after a brief rest period in New York City upon the holiday. He was met at the station by his three children.

The Mayor stated that he had enjoyed his trip and felt that it had accomplished for him a great deal of good. While in New York Mayor Nichols made extended study regarding traffic conditions as well as the matter of snow removal, the budget system now prevailing there and other details of municipal government.

MAYOR'S CENSUS BILL PASSES SENATE.

The State Senate passed, to be engrossed, Mayor Malcolm E. Nichols' bill to define, for the purpose of the United States census, Boston as all the forty-one cities and towns of the metropolitan district, upon the 23d instant.

COMPROMISE UPON CHARLES RIVER FILLING.

BRIDGE AT COTTAGE FARM TO BE LOCATED AS DECIDED, BUT RIVER WILL NOT BE NARROWED.

The long debated question of the method of filling in Charles river at Cottage Farm seems certain to be settled by compromise, without causing serious delay in the construction of the new bridge.

With this idea in view, citizens of Boston, Cambridge and Brookline, who have protested against reducing the width of the river to a single span by filling, have filed a petition and bill with the Massachusetts Legislature. It is understood to be acceptable in principle to the cities of Boston and Cambridge and the Town of Brookline.

The new measure does not reopen the controversy as to the location of the bridge, but provides that there shall be a clear opening of at least 300 feet of water. This will give six open spans of 50 feet each in the railroad bridge. Openings in the highway bridge will be in line with the outer openings in the railroad bridge. The petition has been formally advertised in accordance with the statutes and in compliance with the rules of the House and Senate.

Among the petitioners are Charles Francis Adams, Representative Renton Whidden, Charles F. Weed, James Lawrence, John F. Perkins, G. H. Watson, James P. Fox, Charles S. Bird, Jr., Richard B. Hobart, Frederick P. Fish, John Richardson, Representative Leverett Saltonstall, Senator Gaspar G. Bacon, T. Jefferson Coolidge, State Treasurer William S. Youngman, Edward C. Storrow, F. L. Higginson, Dr. George B. Magrath, James J. Storrow, and Representative Arthur P. Crosby.

MAYOR INVITED TO BE GUEST OF LOWELL.

Mayor Nichols has been invited to be the guest of the City of Lowell, at notable ceremonies in honor of the centennial of the incorporation of the Town of Lowell, to be held March 1.

PARKER HILL HOSPITAL PROJECT MAY BE TOO HUGE A BURDEN ON CITIZENS TO BE PUT THROUGH JUST YET.

MAYOR MALCOLM E. NICHOLS ASKS FINANCE COMMISSION TO STUDY PROPOSAL STARTED UNDER PREVIOUS ADMINISTRATION AND REPORT THAT HE MAY CORRECTLY DECIDE ACTION.

Mayor Nichols has been giving serious consideration and study to the proposal inaugurated by the previous administration as to whether the city should obligate itself to the project of constructing a \$1,000,000 hospital at Parker Hill, Roxbury, to permit the transfer of the chronic sick at Long Island to the mainland for more advantageous care. So many difficulties, of a financial as well as physical nature are involved that the Mayor believes the utmost care must be taken lest the city and taxpayers be too deeply obligated at present.

In order to be sure of a proper decision the Mayor called into conference Chairman Charles L. Carr of the Finance Commission, Joseph P. Manning, chairman of the Board of Trustees of the Boston City Hospital, and William S. Kinney, the new Institutions Commissioner, on February 24th instant. The project was discussed in detail and the Finance Commission requested to make an investigation and report.

It was in December that final steps were taken toward the city's official commitment to the enterprise.

Plans for four hospital units were prepared by O'Connell & Shaw, architects, and when the bids for construction were

considered the contract was awarded to the Thomas B. O'Connor Company for \$713,243. Within a few days operations of breaking ground were started and the work has proceeded since. The city paid \$140,986 in land damages and the architects' fees were to total \$42,794, some of which has already been paid. Bonds to the amount of \$1,145,000 have been sold.

Mayor Nichols has not had the time to investigate the desirability of the long considered question of removing the city's charges from Long Island to the mainland, in view of the great expense of construction, but he is inclined to the belief that, if the hospital units are to be constructed, in accordance with present plans, some provision should be made for a central building.

In view of the city's commitment to the enterprise, both through land-takings, the construction and architects' contracts, it is regarded as a serious matter to talk of abandonment. This would result in law suits and lengthy litigation. Whether the contractor will be asked to stop operations until the Finance Commission completes its investigation is another matter of doubtful procedure. Mayor Nichols is determined to have the best possible advice before deciding the issue.

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendation of department heads, has been approved by the Mayor.

SCHOOLHOUSE DEPARTMENT.

Upon February 23 the Mayor approved a contract with the Nichols-Egan Company for furnishing and installing window shades in the Washington Irving School addition. Bids, opened February 11, were as follows:

Nichols-Egan Company, \$1,250;
Royal Shade and Screen Company, \$1,700.

Upon February 23 the Mayor approved a contract with the Nichols-Egan Company for furnishing and installing window shades and black opaque shades in the Samuel Adams District School. Bids, opened February 11, were as follows:

Nichols-Egan Company, \$2,800;
Royal Shade and Screen Company, \$3,000.

Upon February 23 the Mayor approved a contract with the Royal Shade and Screen Company for furnishing and installing window shades and black opaque shades in the Jamaica Plain High School Addition. Bids, opened February 11, were as follows:

Royal Shade and Screen Company, \$1,425; Nichols-Egan Company, \$1,525.

Upon February 23 the Mayor approved a contract with Lamont Brothers Company for moving four portable school buildings in various school districts. Bids, opened February 18, were as follows:

Lamont Brothers Company, \$3,900;
R. J. Connolly, \$4,600; S. Pasquale, \$4,650; J. J. Brock, \$4,820; Walter Curley & Son, \$4,840; M. S. Kelliher Company, \$4,990.

WITHOUT ADVERTISING.

The Mayor has approved the following contracts awarded without advertising; requests of heads of departments to do the work with the department forces without advertising; additions to and deductions from contracts.

HOSPITAL DEPARTMENT.

Upon February 23 the Mayor approved a contract with the Swett & Sibley Company for installing five sets of elevator landing fronts in the Thorndike Building. A communication from Joseph P. Manning of the City Hospital was as follows:

BOSTON, February 19, 1926.

HON. MALCOLM E. NICHOLS,
Mayor of Boston.

DEAR SIR,—Permission is hereby requested to award a contract to the Swett & Sibley Company for installing five sets

of elevator landing fronts in the Thorndike Building at a cost of \$1,250, without publicly advertising. The reason for this request is that it is very important that these elevator fronts should be installed without delay. It was not anticipated that the cost of this work would exceed \$1,000, therefore bids were invited by the Superintendent, and the bids received were as follows:

Bay State Iron Company, \$1,990;
Babcock-Davis Corporation, \$1,650; the Swett & Sibley Company, \$1,250.

Yours respectfully,

JOSEPH P. MANNING,
President, Board of Trustees.

PUBLIC WORKS DEPARTMENT.

Upon February 23 the Mayor approved a contract with the Pierce Company, Inc., for removing snow and ice in Dorchester. A communication from James H. Sullivan of the Public Works Department was as follows:

BOSTON, February 10, 1926.

To the Mayor of Boston.

I respectfully request permission to award a contract, without advertising, to the Pierce Company, Inc., for removing snow and ice in Dorchester at the price of 60 cents per cubic yard. This is emergency work, and no advantage would be gained by public advertisement. The price to be paid is reasonable.

Yours respectfully,

JAMES H. SULLIVAN,
Commissioner of Public Works.

SUPPLY DEPARTMENT.

Upon February 23 the Mayor approved a contract with the Barber-Greene Company for delivering to the Paving Service two snow loaders. A communication from Mark L. Hersey of the Supply Department was as follows:

BOSTON, February 15, 1926.

HON. MALCOLM E. NICHOLS,
Mayor of Boston.

DEAR SIR,—Permission is respectfully requested to award a contract, without publicly advertising for same, to the Barber-Greene Company for delivering to the Paving Service, 636 Albany street, the following:

Two Barber-Greene snow loaders at fifty-four hundred (5,400) dollars each, f. o. b. Aurora, Ill.

The Commissioner of Public Works has asked this office to expedite delivery, and as this machine has his personal recommendation I trust that permission to purchase will be granted.

I am attaching a letter from the Commissioner of Public Works asking for prompt delivery of these two machines.

Respectfully yours,

MARK L. HERSEY,
Superintendent of Supplies.

PETITIONS ALLOWED.

The Mayor has approved the following petitions received from the Board of Street Commissioners:

New England Telephone and Telegraph Company, East Milton street, Ward 18, erect and remove one pole.

New England Telephone and Telegraph Company, Greenwood street, Ward 14, erect one pole.

New England Telephone and Telegraph Company, Gladstone street, Ward 1, erect one pole.

PROCEEDINGS OF CITY COUNCIL.

Monday, February 15, 1926.

Regular meeting of the City Council in the Council Chamber, City Hall, at 2 p. m., President KEENE in the chair. Absent, Coun. Green.

PARKMAN FUND APPROPRIATION.

The following was received:

City of Boston,
Office of the Mayor, February 13, 1926.
To the City Council.

Gentlemen,—I transmit to you herewith communication from the Board of Park Commissioners requesting transfer from the income of the George F. Parkman Fund of the sum of \$12,000, same to be used for the payment of the installation of the lights which border the new roadway in Franklin Park, and I recommend the passage of the accompanying order.

Respectfully yours,
MALCOLM E. NICHOLS, Mayor.

City of Boston,
Park Department, February 12, 1926.
Hon. Malcolm E. Nichols,
Mayor of Boston:

Dear Sir,—By vote of the Board of Park Commissioners, you are respectfully asked to make a request on the City Council for a transfer from the income of the George F. Parkman Fund of the sum of \$12,000, same to be used for the payment of the installation of the lights which border the new roadway in Franklin Park.

Franklin Park Improvements, \$12,000.
Yours very truly,
DANIEL J. BYRNE,
Secretary.

Ordered, That the sum of \$12,000 be and hereby is appropriated from the income of the Parkman Fund, to be expended under the direction of the Park Commissioners, for the Maintenance and Improvement of the Common and Parks in existence on January 12, 1887, as follows:

Franklin Park Improvements, \$12,000.
Referred to the Committee on Parkman Fund.

SALE OF LAND, TENNYSON STREET.

The following was received:

City of Boston,
Office of the Mayor, February 10, 1926.
To the Honorable the City Council, Boston.

Gentlemen,—The city already being committed to the discontinuance of Tennyson street on the westerly side of Church street, for the purpose of establishing a park on land located between Church street, Columbus avenue and Stuart street, and immediately opposite the front of the Statler Hotel, now being erected on Columbus avenue, when such discontinuance occurs there will be a jog and irregular line on Stuart street unless Tennyson street is discontinued from the easterly side of Church street to Broadway, where it is intersected by Stuart street.

It is therefore proposed to have Tennyson street discontinued from the easterly line of Church street to the westerly line of Broadway. When Tennyson street is so discontinued, there will be two parcels of land described in the accompanying order which will become the property of the City of Boston. These parcels of land are located between the Motor Mart lot, so called, owned by Robert Jordan, William O. Taylor and Edward F. McClellan, trustees under the will of Eben D. Jordan, and the present northwesterly line of Stuart street and will be of value for use in connection with said lot and of comparatively small value for any other purpose.

If these two parcels were not acquired by the owners of the Motor Mart lot, the city might have to respond in damages on account of the discontinuance of Tennyson street, because the Motor Mart lot would be partially deprived of its present access to Stuart street.

There was assessed on the Motor Mart lot for the laying out and construction of Stuart street a betterment assessment of \$96,000, of which \$77,000 now remains unpaid. A petition is now pending in the Superior Court of the County of Suffolk for a partial abatement of the above assessment.

The aforementioned trustees of the Jordan Estate have agreed to pay the outstanding betterment assessment with all accrued interest and have offered to purchase the land described in the accompanying order, which will revert to the city upon the discontinuance

of Tennyson street, and pay therefore the sum of \$20,000. Plans have been made for the erection of a building on the Motor Mart lot and if the additional land can immediately be acquired by the discontinuance of Tennyson street, the plans will be rearranged so as to extend the new building out to the northwesterly line of Stuart street.

It is the opinion of Warren F. Freeman, the city's real estate expert, that it would be advantageous to the city to discontinue Tennyson street and to sell the land to the trustees for the sum of \$20,000, the amount of their offer. In the event of the consummation of the proposed agreement, the litigation over the betterment assessment will be disposed of, the line of the traveled way will be straightened, the dead end at the parkway will be avoided, more taxable property will be added to the city, and the city will receive reasonable compensation for land which at present is of no special value to the city.

I, therefore, recommend the passage of the accompanying order.

Respectfully yours,
MALCOLM E. NICHOLS, Mayor.

Whereas, The City by its Board of Street Commissioners, with the approval of the Mayor, proposes to discontinue Tennyson street; and

Whereas, When said Tennyson street is discontinued there will be two certain parcels of land hereinafter described owned by the City of Boston, lying on the southerly side of the land owned by Robert Jordan, William O. Taylor, Edward F. McClellan, trustees under the will of Eben D. Jordan, and the northwesterly side of Stuart street; and

Whereas, An advantageous offer of twenty thousand dollars has been made for said land in the event of said discontinuance of Tennyson street by Robert Jordan, William O. Taylor and Edward F. McClellan, trustees under the will of Eben D. Jordan, owners of the Motor Mart lot, so called, which is adjacent to the land hereinafter described;

Ordered, That upon the discontinuance of Tennyson street, his Honor the Mayor be and he is hereby authorized in the name and behalf of the city to convey, by an instrument in writing satisfactory to the Law Department, to Robert Jordan, William O. Taylor and Edward F. McClellan, trustees under the will of Eben D. Jordan, upon the receipt of the sum of twenty thousand dollars, all the right, title and interest which the city may have to the following described parcels of land:

A certain parcel of land bounded and described as follows: Northwest by the northwesterly line of Tennyson street as it now exists, eighty-eight and 25-100 (88.25) feet; westerly by said Tennyson street by land now or formerly of the trustees under the will of Eben D. Jordan, twelve and 6-100 (12.06) feet; southeasterly by the northwesterly line of Stuart street, eighty-nine and 7-100 (89.07) feet; containing 532 square feet, more or less.

A certain parcel of land bounded and described as follows: Northwest by the northwesterly side of said Tennyson street as it now exists, fifty-two and 3-100 (52.03) feet; easterly by said Tennyson street, by land now or formerly of the trustees under the will of Eben D. Jordan, twenty (20) feet; northwesterly by said Tennyson street by said land of said trustees, seventy-two and 37-100 (72.37) feet; southeasterly by the northwesterly line of Stuart street, one hundred twenty-six and 77-100 (126.77) feet; westerly by Church street, thirty-seven and 17-100 (37.17) feet; containing 2,013 square feet, more or less.

The above described parcels are marked "Lot 1" and "Lot 2," respectively, on a plan filed herewith.

Referred to the Committee on Public Lands.

REVOCATION OF LOAN FOR L STREET BATH HOUSE.

The following was received:

City of Boston,
Office of the Mayor, February 13, 1926.
To the City Council.

Gentlemen,—I again transmit to you herewith an order providing that the authorization to borrow \$380,000 for bath house and laundry at L street, South Boston, be revoked, and I beg to call your attention once more to my message under date of January 11, 1926, at which time an order identical with the order above referred to was transmitted to you for your consideration.

Respectfully,
MALCOLM E. NICHOLS, Mayor.

Ordered, That the authorization to borrow \$380,000 for bath house and laundry, L street, South Boston, which loan order was passed December 28, 1925, and approved by the Mayor December 29, 1925, be and the same is hereby revoked.

Referred to the Executive Committee.

The following was received:

City of Boston,
Office of the Mayor, February 13, 1926.
To the City Council.

Gentlemen,—I am herewith transmitting a communication from the Acting Fire Commissioner relative to the sale of certain old material, the property of the Fire Department, and I recommend the passage of the accompanying order.

Respectfully yours,
MALCOLM E. NICHOLS, Mayor.

City of Boston,
Fire Department, February 12, 1926.
Hon. Malcolm E. Nichols,
Mayor of Boston.

DEAR SIR,—The Fire Department has approximately \$600 worth of junk in the Fire Alarm Shop. This junk consists of about four tons of lead-covered cable and a ton and a half of scrap iron.

I respectfully request that permission be obtained from the City Council to sell this junk. If permission is granted bids will be invited through the City Record.

Yours very truly,
T. F. SULLIVAN,
Acting Fire Commissioner.

Ordered, That the Superintendent of Supplies be and hereby is authorized to sell, after public advertisement, junk in the Fire Alarm Shop, valued at approximately six hundred (600) dollars, and consisting of about four tons of lead-covered cable and a ton and a half of scrap iron.

Referred to the Executive Committee.

Passed under suspension of the rule.

PROPOSED REVOCATION OF SPUR TRACK.

Coun. HEFFERNAN offered the following:

Ordered, That the Board of Street Commissioners be requested to hold a public hearing on the question of a revocation of the spur track permit granted to the Railway Engineering and Construction Company on Cambridge street, Allston.

The order was read a second time, and the question came on its passage.

Coun. HEFFERNAN—Mr. President, my intention in offering this order is not to charge the Street Commissioners with not having properly acted upon the matter, but it is simply to give the people in my district an opportunity to present their case in a proper manner before the Board of Street Commissioners. As I understand the existing law, the petitioner for a spur track of this kind petitions the Street Commissioners. The thing is then advertised in a newspaper and the hearing is held. Such a hearing was held last week on this spur track. Judging from the newspaper accounts apparently no one appeared except those who were vitally interested in obtaining the permit. We all know that the people in our district do not read local advertisements in newspapers. If they do so, it is very seldom. I did not know of this petition, because under our law councilors receive absolutely no notice of petitions of this type concerning matters in their district. This track in question crosses Cambridge street. The Metropolitan District Commission last year started to construct a bridge, costing close to a quarter of a million dollars, on River and Cambridge streets, the bridge being held up by the Metropolitan Park Commission for some time, because there was a question of closing the bridge altogether and allowing the road to use it for the same purpose. The bridge is now in there, with an investment of a quarter of a million dollars, and this permit allows them to run in back, into a district that today at least is an entirely residential section. Hundreds of people have homes in that section, and if this permit is granted it means that their property will depreciate immediately, and their investment there will not be worth 50 cents on a dollar after the track gets in. I understand that the permit does not issue until after a hearing before the Board of Public Utilities, but I don't think we at City Hall should close our

eyes and allow matters to go to the State House before the Public Utilities before we have anything to say as to whether permits should be issued. We have some rights here, and I think the councilor from the district ought to have a right to present the case of his constituents who have residences there, when such a matter threatens them. This order simply asks the Street Commissioners for a public hearing, and I think it is fair that they should hear the opponents as well as those in favor. All we ask for is a public hearing on this matter in City Hall, in order that we may not have to depend entirely on the sayso of the Board of Public Utilities, when the matter goes before that Board.

The order was passed.

GENERAL RECONSIDERATION.

On motion of Coun. BUSH a general reconsideration of all action taken today was refused.

\$25,000 REQUESTED FOR EVACUATION DAY.

Coun. LYNCH offered the following:

Resolved, That in the opinion of the City Council of Boston the sum of \$25,000 should be appropriated for the celebration of Evacuation Day in South Boston.

On motion of Coun. LYNCH the rule was suspended and the resolution adopted.

Adjourned, at 3.17 p. m., on motion of Coun. DONOVAN, to meet on Monday, March 1, at 2 p. m.

ENTERTAINMENT OF PRESIDENT KEENE.

President Charles G. Keene of the Boston City Council, and Acting Mayor during the temporary absence of Mayor Nichols, was a guest of members of the Traffic Club of New England, at the annual dinner of the organization, at the Copley-Plaza, upon the 18th instant. He made an earnest plea for legislation by the Commonwealth of Massachusetts for the better regulation of omnibus motors throughout the state, and compelling all operating companies to pay a just share for the maintenance of the arteries over which they operate.

PROSECUTOR NAMED FOR ROXBURY COURT.

Sergeant Joseph L. Snow of Police Division 10 has been assigned permanently at the Roxbury Court to see that all cases are prosecuted properly. Cases come to the Roxbury Court from Stations 9 and 10 in Roxbury and 16 in the Back Bay, and Sergeant Snow has authority to appear in any case and aid in the prosecution.

The Roxbury Court is one of the busiest in the state and 15,000 cases are disposed of annually.

KIRSTEIN TOWER IN SERVICE.

The traffic tower presented the City of Boston by Louis E. Kirstein, vice president of William Filene's Sons Company, was placed in service at Washington, Summer and Winter streets, upon the morning of the 23d instant. With the ringing of the bell, officer Joseph Snyder started traffic moving.

Commissioner Herbert A. Wilson, Deputy Superintendent Thomas F. Goode of the Police Department, Mr. Kirstein and the architects were present at the formal dedication and opening of the tower.

Thousands of men and women watched the exercises. The new tower of bronze has a base of black marble.

There was no confusion because most of the people realized that the signals were the same as those used at the tower at Boylston and Tremont streets.

Officer Snyder with traffic officer Bernard Kilduff were pleased with the results and stated that conditions were greatly remedied by the new tower.

sq. miles), New York (318), Chicago (199.4), Philadelphia (129), Baltimore (91.9), Detroit (80), Cleveland (56.6), and St. Louis (61.25). The only city in Massachusetts with larger land area is Taunton (50 sq. mi.).

If Boston should expand by annexations as New York, Chicago, Philadelphia, Los Angeles and others have expanded, its total area, in case of including the 39 cities and towns within the 15-mile radius, would exceed the largest, viz., Los Angeles, the present land area of "Greater Boston" being 409.3 square miles.

DELINQUENT TAX SALES.

CITY OF BOSTON.

CITY COLLECTOR'S NOTICE.

The owners and occupants of the following described parcels of real estate situated in the City of Boston, in the County of Suffolk and Commonwealth of Massachusetts, and the public, are hereby notified that the taxes and assessments thereon severally assessed for the years hereinafter specified, according to the lists committed by the assessors of taxes of said City to me as collector of taxes for said City, including assessments for the suppression of gypsy and brown-tail moths, remain unpaid, and that the smallest undivided part of said land sufficient to satisfy said taxes and assessments, with interests and all legal costs and charges, or the whole of said land if no person offers to take an undivided part thereof, will be offered for sale by public auction at the City Collector's office, on the second floor of the City Hall Annex on Court street, in said City of Boston, on Wednesday, March 24, 1926, at 9.30 o'clock a. m., for the payment of said taxes and assessments, with interests, costs and charges thereon, unless the same shall be previously discharged.

The sums set against the following descriptions of the several parcels of land show the amounts due thereon respectively for the taxes and assessments for the nonpayment of which each of said parcels of land is to be sold, but do not include the cost and interest thereon and costs and charges incident to this sale.
